## Financial Aid Program FAQ 2017 – 2018 Season

### Why was the financial aid program established?

The Financial Aid Program was established over twenty-five years ago to offer all of HYS's young musicians equal opportunities to participate in every aspect of the HYS program regardless of financial conditions. Because of state, corporate, and private donations, all HYS students receive "financial aid" of sorts. The registration fee required is only a fraction of the cost of running the HYS program, currently more than \$2,000 per student. However, HYS realizes there are families who may still find it difficult to cover the non-subsidized portion of the fee. The Financial Aid Program ensures that all students will be able to benefit from our program.

### Where do the funds come from?

The *Michael Nakasone Legacy Scholarship Fund in Honor of Youth Symphony II* was created in 2010 thanks to a generous donation from the late Ms. Olivia De Jane. Financial aid awards draw from the Nakasone Legacy Fund, and other funds, in hopes that no student will be turned away.

### What expenses do these funds cover?

The financial aid program will subsidize financially deserving students on a reimbursement basis in one or more of the following ways:

- 1) Partial aid for private lessons: up to \$150 per semester.
- 2) Partial aid for regular season registration fees: up to 50% per person.
- 3) Partial aid for instrument rental fees: up to 50% per season (only for instruments rented from HYS).
- 4) **NEW!** Partial aid for 2018 Pacific Music Institute (PMI) registration fee: award amount to be determined by June 2018.

### On what factors are awards based?

Awards are based on financial need, not on the musical ability of the applicant. Consideration is given to each student's attitude and evidence of responsibility (i.e. rehearsal attendance and preparedness). The majority of recipients make the most of what the Financial Aid Program can offer, as reflected by teacher evaluations. Out of hundreds of recipients, there have been only a few students in recent years whose subsidies have not continued because of poor preparation, tardiness and/or poor attitude. In these cases, the amounts allocated were given to an alternate applicant.

### Can I declare my award as a scholarship award on my college application?

No. HYS's Financial Aid Program is not a scholarship program and should not be referred to as such. Selections are based on financial need and not musical ability.

### How can I apply for financial aid?

First, navigate to our online registration to register for the class that you want the aid to be applied to by July 10, 2017. Note that there is a separate registration link for financial aid applicants. Then send a completed Financial Aid Application (included herein your acceptance packet ) and mail it to the office, with a copy of the first two pages of your 2016 Federal Income Tax Return (Form 1040) by **Friday, September 1, 2017**. You can find the Financial Aid Application on our website if you need to print out another copy. More information may be requested from you at a later time to better assess your need.

**If you are applying for the Financial Aid Program, payment is still required at the time of online registration.** Financial aid awards will be granted after the registration deadline on a reimbursement basis. When registering online, you may choose from the following two payment options:

- 1) Full payment (by check or credit card)
- 2) Payment by four monthly installments: July through October 2017 (credit card **ONLY**)

If you choose full payment by credit card at the time of registration and you are awarded financial aid, a partial refund will be automatically issued to your credit card. If you choose full payment by check at the time of registration and you are awarded financial aid, a reimbursement check will be mailed to the student. If you choose payment by installment and are awarded financial aid, a partial refund will be automatically issued to your credit card. If private lessons are included as part of your financial aid package, the parents are still responsible for paying the private teachers. A reimbursement check will be issued to the student once a semester. Students will be notified of their financial aid award amounts for PMI 2018 registration by June 2018. Payment is still required at the time of PMI registration. Awards for PMI 2018 will be issued in late July 2018 after the registration deadline on a reimbursement basis.
