This list of private instructors is issued as a convenience to HYS families.						
HYS neither endorses nor recommends one teacher over another.						
Teachers are added to our lists upon request.						
HYS does not go through a screening process before adding a teacher to this list, and cannot be responsible						
for any actions by teachers included on this list.						
HYS suggests families contact several teachers to ensure that the teacher is a good fit for your child's needs.
